## Hickory Hollow Series & Blue Sky Mountain Series Transitions HH-BSM and BSM HH Multiple Scales Preview

Both HH-BSM & BSM-HH prints are standard 36" length. Three heights are available in each scale.

Part numbers indicate placement of series prints on either side of transition. (e.g. HH-BSM would indicate a Hickory Hollow series backdrop is on the left of transition and a Blue Sky Mountain series backdrop on the right.). The opposite would be the case for a BSM-HH.

### Printable Sample Previews for 8.5" x 11 plain paper

Printable samples for each style are created to cut out and give you the chance to model your backdrop before purchase. Mix and match with others in the same series, or use transition preview samples to move to another series or other available prints. All preview images on this page share the max standard 30" height. Cut your samples to desired heights if needed for visualization.
